

## **(L2) Our commitment to you**

We believe at Hill Upholstery & Design that you deserve the highest quality of workmanship and materials. We offer you many years' experience and pride ourselves on customer service with 100% customer satisfaction. Our main priority is that you are happy and have a piece of furniture that you will love for many years to come.

- All cushions supplied to you by Hill Upholstery & Design are the best quality flame retardant foam. The cushions are also wrapped in a secondary casing of Dacron, to give comfort and to prolong cushion life.
- All fabrics supplied to you by Hill Upholstery & Design are of the highest quality with a minimum rub test of 20,000 and meet all British fire regulations.
- All your furniture that is re-upholstered will be stripped back to the bare frame, where all framework and springs will be checked for any problems
- We will always meet agreed deadlines
- Every care will be taken with your furniture to pattern match where needed, with constant attention to detail
- We can offer you a wide range of solutions for all your requirements – please see “Hill Upholstery & Design Production Solutions”

*“Every project that we do is unique, as every client is unique, and even after all these years, it is a pleasure to see the look of delight on a client’s face when their furniture is installed”*
